

Intensive Outpatient Programs for Sex and Porn Addiction

No matter where you live, SRI's Intensive Outpatient Programs (IOPs) are a **short-term, high-value** and **low cost** alternative to other forms of intensive treatment.

Our **12-day IOP** provides a highly-personalized program of daily individual therapy, group education, structured support.

For individuals and couples needing effective help – Now!

- **Internet Sex and Porn Problems • Multiple Infidelities and Affairs**
- **Sexual Harassment and Arrest • Compulsive Masturbation**
- **Online Hook-ups • Workplace Boundary Violations**
- **Prostitutes and Sensual Massage • Anonymous Sex**
- **Exhibitionism and Voyeurism • Women's Sex and Love Addiction**

WHERE DO IOP CLIENTS RESIDE WHILE RECEIVING TREATMENT?

- Local Supervised Residential Recovery House (preferred)
- Family or Friends
- Nearby Hotel

WHAT DOES THE INTENSIVE PROGRAM COST?*

Please call for specific fee information. A 50% deposit is required prior to beginning the program. SRI does not directly bill insurance, however statements are provided for reimbursement and tax purposes. We accept Visa, MasterCard and American Express.

*Fees do not include housing, food, transportation, unexpected medical or specialty consultation cost. Any additional fees will be discussed prior to billing the patients.

DOES THE IOP INVOLVE WIVES AND PARTNERS?

We encourage all significant others to be involved in treatment via e-mail, phone contact and on-site therapy – whenever useful and indicated. Spousal involvement is scheduled by primary therapist after admission and organized around the specific needs of each couple and client.

WHAT ABOUT CONFIDENTIALITY?

At the Sexual Recovery Institute, all communication before, during and after treatment is strictly confidential. When returning inquiry phone calls or e-mail we do not disclose the nature of our work or give out the name or agency speciality unless speaking directly to you.
